Tomorrow waits like an elusive sail floating in the distance, holding promises of happiness, darting to and fro on the waves of life. Sometimes it nearly capsizes, only to be pulled upright by some invisible force, to continue on its journey of living. Perhaps we'll dock at the same harbor someday.

The educators and staff at Indian Valley North have given their best to make the 1976-1977 school year an interesting and productive one. Hopefully, the students have prospered from the variety of lessons and projects the teachers and administrators have provided.

CONCERNED ADMINISTRA- TION

The Indian Valley Board of Education, Mr. Shriver, and Mr. Gartrell faced many challenging situations during the 1976-1977 school year. Their primary goal was to provide the best education possible to all students in the Indian Valley District.

COUNSELOR ASSISTS STUDENTS

Mr. Caviness, guidance counselor, was kept busy again this year scheduling college visitations, college preparatory tests, and assisting students in choosing the right course of study.

Assisting Mr. Caviness are five guidance aides: Marla Bolon, Lisa Lentz, Carla Barnett, Glenda Simmons, and Mary Kriviski. Their jobs consist of typing, filing, and numerous other secretarial tasks.

BUSY OFFICE

Helping Mrs. Carol Stanley this year were five office aides. These girls were kept busy by assisting with different tasks which included collecting absent slips, separating mail, and typing. These aides make it possible for Mrs. Stanley to complete all of her office duties.

SERVICE

Once again this year, Mrs. Honaker, our service-oriented librarian, kept her team of faithful library aides hard at work. In addition to clipping papers for files and operating and delivering the A-V equipment, the aides also assisted with routine tasks such as shelving books and keeping the library's over 5,000 volumes in good shape.

POPULAR COURSES

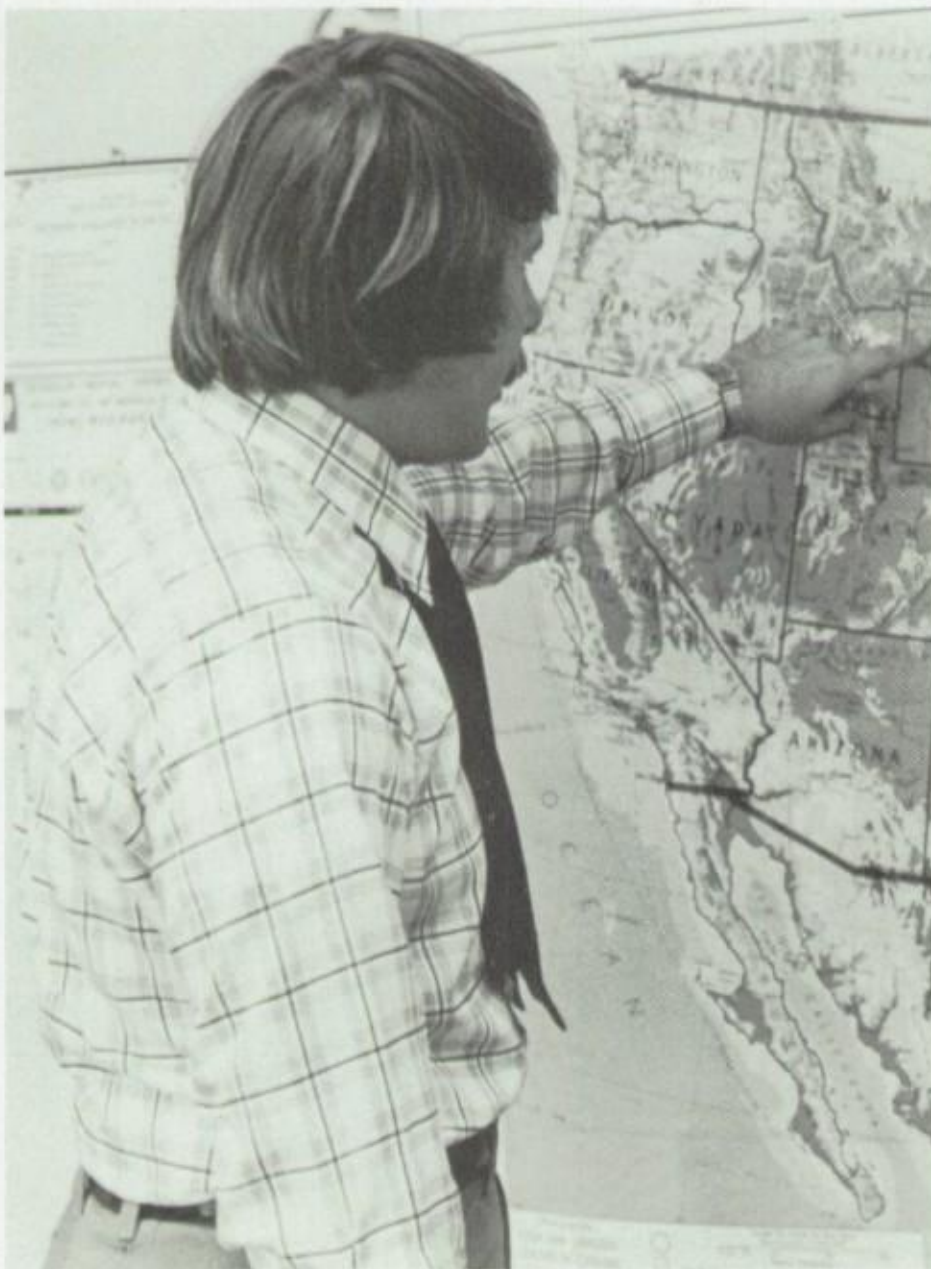

Social studies were again popular at IVN - both required classes and electives. American and World Histories were taught by Mr. Starr, while the seniors were instructed in the procedures of government by Mr. Baughman, who also handled current events and civics. North students also gathered knowledge from sociology, a young course taught by Mr. Wenger.

STICKING TO BASICS

College grammar and writing was offered as a full year course this year, taught by Mr. McConnell. He is trying to emphasize the English fundamentals in his classes.

In other areas of the English Department, Mrs. Goforth and Ms. Donne are stressing comprehension, developmental reading, and research writing, trying to get across the application of basic grammatical skills in everyday life.

EXPLORA- TION

CALCULATIONS

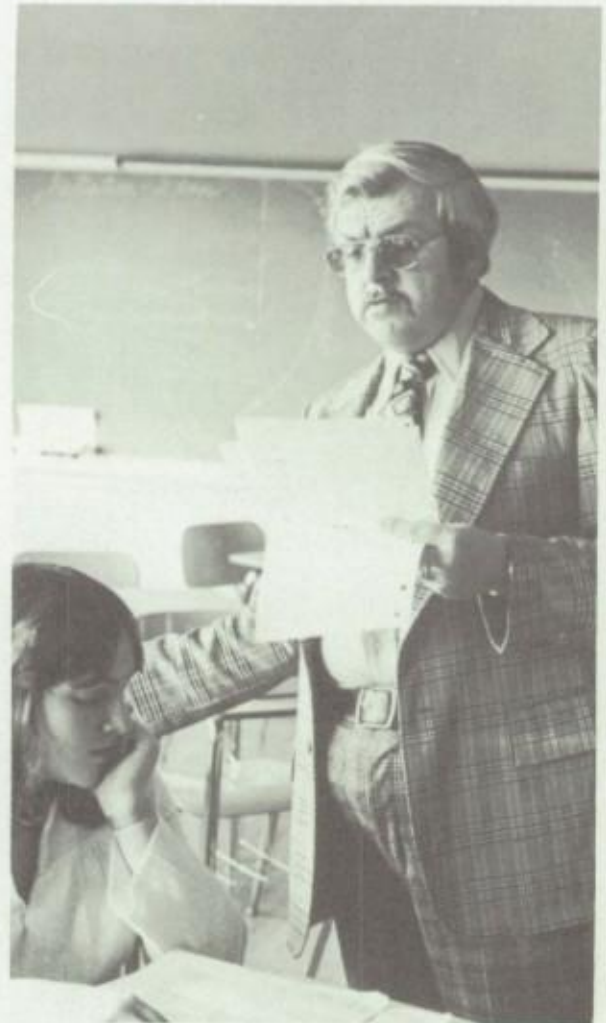

Mathematics was again taught by Mr. Richardson (Algebra I, II, Geometry, and Advanced Math), and Mr. Hamilton (Business Math). Both teachers stressed the importance of math skills in everyday life, both at home and in numerous professions.

BUENOS DIAS; GUTEN TAG

Ms. Donne, in her first year at North, taught Spanish culture, as well as vocabulary and the six verb tenses.

Mr. Hamilton worked hard to make German a pleasant learning experience. He introduced his students to the basic pronunciation and recognition of German. Special efforts were made to get his students to realize the important German contributions to America's success.

MORE STUDENTS JOIN BAND AND CHORUS

The music department at North is under the supervision of Mrs. Marva Feiszli. Mrs. Feiszli, in her second year at North, is pleased with the increased enrollment in both band and chorus. Both groups practiced long and hard to participate in the county solo and ensemble contest, and the district band contest.

Many money making projects were held to purchase new instruments and music.

GIRLS INCLUDED

This year shop was made available to the girls. Mr. Sevier initiated this as well as the Industrial Arts Club, whose main projects were the making and selling of Christmas toys and lamps.

Mr. Dan Deetz, the drafting instructor, offered Industrial Design, Manufacturing and Mass Production, and Architectural Drafting to his students. His main objective was to have each student work to his greatest potential.

CREATIVITY IN ART

Students in Mrs. Weible's art classes were kept busy once again this year with projects using paint, paper mache, string, ceramics, clay, and copper enameling. Mrs. Weible strives to get the students to use their creativity rather than copy someone else's ideas.

INCREASING THEIR SKILLS

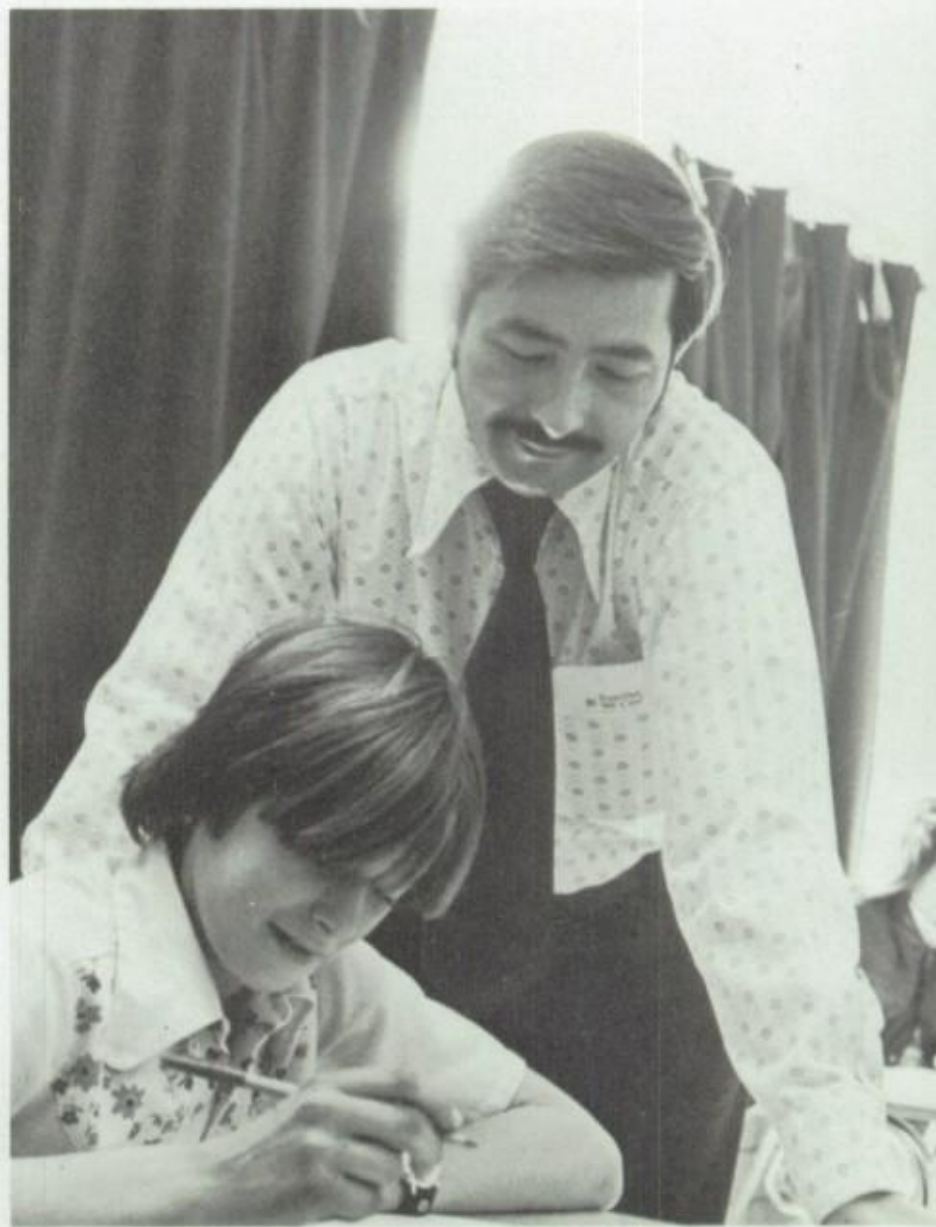

Students in Mr. Hykes' class have worked hard this year acquiring and increasing their basic skills. They study the main courses needed to graduate, science, English, history, math, etc.

We have a new work study coordinator, Mr. Zlotziver, who helps find jobs for the seniors in the program.

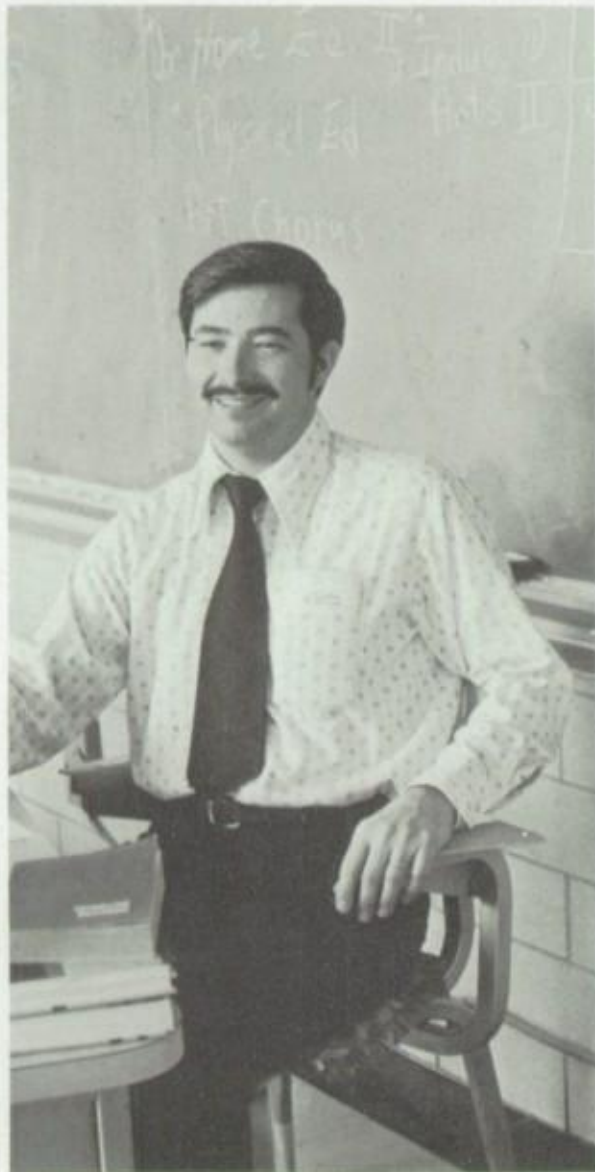

One very important activity for the students is their participation in the Special Olympics. Many will enter such sports as softball, 100 yard dash, 50 yard dash, 440 relay, high jump, and standing long jump.

THE BUSINESS WORLD

The business department of Indian Valley North has two teachers, Mrs. Beth Downes and Mr. Dick Bichsel, a new staff member.

This year the I.O.E. members were divided into two separate classes. The senior class was taught by Mrs. Downes, and the juniors by Mr. Bichsel. Both classes are learning valuable office skills that will be needed in the future.

ACTIVE CLASSES

The D.E. Class, guided by Mr. Wheeler, took field trips to numerous county businesses. Also, they participated in the School Insight Series on WJER radio.

The O.W.E. Class, under the direction of Mr. Hilliard, was very active again this year. For a fund raising project, they kept the hungry students at I.V.N. supplied with doughnuts.

OUR HELPERS

The cafeteria has an addition this year with the start of the à la carte lunches. Each student has his choice to eat from the à la carte or the regular cafeteria. Each meal was tasty and nutritious.

The custodians spend many long hours at the school making a clean and respectable place to learn.

The bus drivers have made it through another year without any trouble. Their job was a tough one, especially with all the ice and snow we had this winter.

THE

A C T I V E

The variety of activities found at Indian Valley North gives each student an opportunity to get involved with his school and the people in it. The students get to express themselves through band, the science fair, chorus, and other interesting activities. A feeling of pride is felt when something successful is accomplished, such as the opening of the play, the prom, or a new issue of the BLUE STREAK.

THE ARTS

The arts were popular at school this year, and were a visual part of North's building. Our art room is now brightened with a painted mural covering the walls. Sophomore Sheila Campbell suggested the idea and the art students all pitched in.

The Industrial Arts class won many awards this year. The students participated in the annual East Central Ohio Industrial Arts Exhibit held at Belden Village Mall.

ENTERTAINMENT

Several assemblies were held at North. One of the most popular was the Sunshine Express, a group that did popular top 40 numbers for the student body.

Our building administrator, Mr. Bill Mason, was the special guest of another assembly. Mr. Mason has been taking lessons in Tae Kwan Do, a form of Korean karate. He showed the student body some self-defense maneuvers and also demonstrated the breaking of boards with various parts of the body.

BUSY HOMEMAKERS

The Future Homemakers of America have been very busy this year, under the direction of Mrs. Murphy, their advisor. Field trips to the County Home and the Detention Home have provided learning experiences. Also, the teen slumber party and bake sales have given the members fun times plus profit.

HIGH STEPPERS

Leading the Big Blue Marching Band for the 1976-1977 year were four high-stepping senior majorettes. In preparation for the 1976 football season, the majorettes attended the Smith-Walbridge Camp at Marietta where they all received superior ratings individually and as a group.

In addition to the majorettes were the flag corps, who also helped in entertaining the audiences by performing different routines and drills. The flag corps also attended a clinic at New Philadelphia where they learned various techniques in twirling a flag.

NEW UNIFORMS

Under the direction of Mrs. Marva Feiszli, the Big Blue Marching Band had a very successful year with the added attraction of new band uniforms. The band not only looked terrific, but sounded fantastic with the growth in membership.

The band participated in the New Philadelphia and Garaway Previews, County Bandarama, many parades and football halftime shows, and travelled to Columbus to compete in the State Fair, but was rained out.

Mr. Ron McConnell, with a year of experience under his belt, led the Publications Class to the achievement of their major goal in 1976-1977 - making the newspaper and yearbook financially sound while still producing first rate issues of the BLUE STREAK and meeting the deadlines for the POLARIS.

The staff worked hard, starting in September with the sale of Big Blue tams, candy bars, and finally, the first annual Christmas toy give-away.

Although excellent salespeople, the staffers also spent endless hours planning layouts for the yearbook, writing and rewriting articles, and selling ads to local businessmen.

COMPLIMENTS OF INDIAN VALLEY NORTH'S SPANISH CLUB

TWO NIGHTS

Donald Payton's DEADLY EARNEST was presented April 22 and 23. Mr. Michael Hamilton directed the performances, and Mrs. Linda McCutcheon volunteered her make-up expertise.

Jim Celuch who played Henry Gilcrest did an excellent job of portraying the serious and humorous facets of the character. Mary Kriviski also gave a fine performance. The audiences seemed to find Clarissa (Mary Ellen Kollman) and Ernestine (Carolyn Kriviski) very amusing characters. The quality performances of the other cast members greatly aided the success of the play.

DISCUSSIONS HELD

Student Council was again busy this year, and with the aid of Mr. Pretorius, discussed the different alternatives of selecting the future valedictorians and salutatorians at Indian Valley North, and possibly changing the present 4.0 system of grading. Also, the members revised the homecoming procedures.

The Council sold flowers for a money-making project.

THANK YOU

To help keep the price down for the yearbook, the Publications Class had a few money making projects. The fifth graders and the FHA members volunteered their help for the successful candy drive, and we are sincerely grateful.

We would also like to extend a special "thank you" to Mr. Gartrell, Mr. Jenkins, Mrs. Stanley, Mrs. Sickenger, and all faculty and students from I.V.N. who have contributed their time and money to help make the yearbook and newspaper successful publications.

Indian Valley North students were assisted by different organizations. Band Boosters worked to buy band students new rain coats, and to finish paying for the band uniforms. The athletic banquets were sponsored by the Booster Club. The P.T.O. members held the annual spring carnival which assists the elementary grades with purchasing supplemental material for their classrooms.

THE

ENERGETIC

Winning seasons dominated the sports scene this past year, because of the enthusiasm and determination to win. Both the girls' volleyball and basketball teams won the District Championships, for the second year in a row. Boys' basketball also came out on top with a 10-9 record and only 2 senior players on the team.

All in all, the 1976-77 school year was a good one for the participants and fans at IVN.

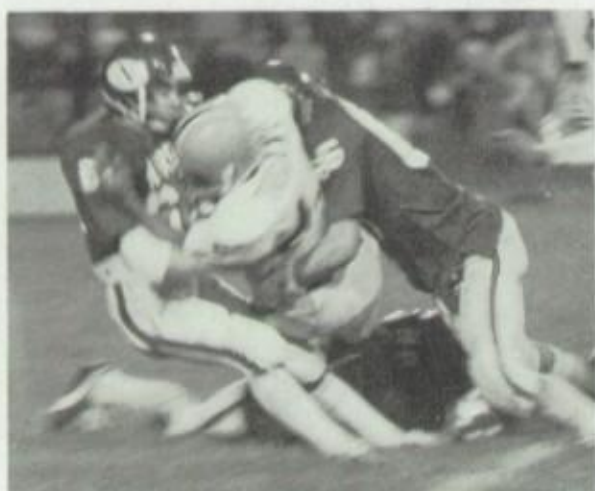

STARTED STRONG; ENDED WEAK

Offensively, this year's Big Blue team averaged 11 points per game with their best effort against Strasburg scoring 28 points.

The Big Blue defense yielded an average of 16 points per game. The high points for the defense this year were the first three games in which the defense allowed only 20 points against Meadowbrook, Tusky Valley, and Malvern.

Coach McCutcheon

Though the Big Blue lost six games to end the football campaign with a 4-6 record, this year's football squad stayed strong in three of their losses until the last quarter when unexpected breaks went against the Big Blue team. The down point in the season was the controversial loss to Garaway in the closing seconds of the game, 14-13. After this loss the Big Blue ended their season with one win in their last four games. All in all, we cannot complain because the team tried their best.

LAST SECOND VICTORIES

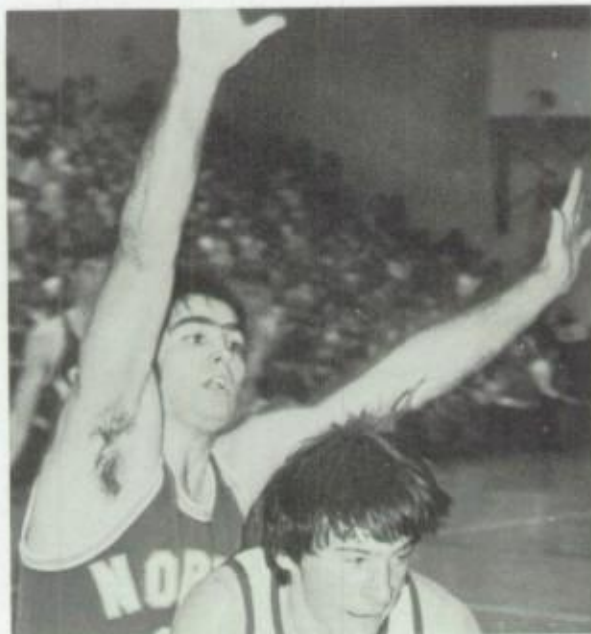

With a 10-9 record, the varsity basketball team wasn't as outstanding as the year before. However, the players gave the fans many thrills with last second victories over Hiland and Sebring. Losing only two seniors from this year's team, next year's varsity should continue to improve and provide the fans with many victories.

YOUNG AND INEXPERIENCED

This year's freshman team, lacking the size of most of their opponents, came away with a 3-10 record. Although Coach Baughman's team finished poorly, they never gave up. This, together with their enthusiasm, makes the future of I.V.N. basketball look bright.

SWEET SUCCESS

The girls basketball team had a very successful season. They finished with a fine record of 9 wins and 3 losses. With a record of 8-2 in the Inter-Valley Conference, the girls took the runner-up trophy.

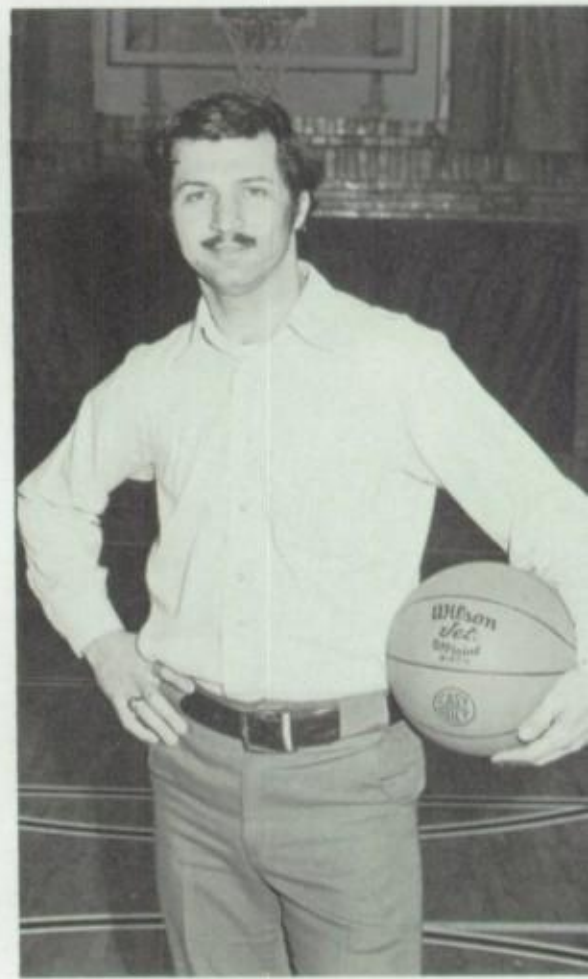

Being the top-seeded team in the tournaments, the girls drew a bye and played Hiland to advance to the district play. In the first round, the Big Blue defeated Newcomerstown 36-28. In the finals they beat Shadyside 46-32.

THREE LETTERMEN RETURN

The 1977 Big Blue track team opened its season with three returning lettermen. They were Don Rosser, Tony Carlisle, and Albert Butcher.

Depth proved to be a major factor as the Big Blue lost to Newcomerstown and Ridgewood in dual meets. The Big Blue track squad beat Central Catholic, Strasburg, and Jewett-Scio.

The only individual to get out of the Sectional Meet was Don Rosser who competes in the discus throw.

FIELD EVENTS STRONG POINT

The Big Blue girls track team finished with a record of 4 wins and 3 losses, but were unbeaten in field events.

The team had two seniors Amy Stanley and Sue Halter, five juniors, twelve sophomores and nine freshmen.

A pre-sectional was held at Garaway with many girls qualifying for the sectional track meet. From the sectionals 7 girls made it to the districts in upper Arlington. Amy Stanley placed fourth in the discus and first in shot put with a throw of 38' to take first place to go to the State Track Meet in Columbus. Teresa Schupp also took second place in the low hurdles to go to State.

The BUCKEYE JOINT VOCATIONAL SCHOOL, located at University Drive NE New Philadelphia, Ohio, opened its doors for the first time for the 1976-1977 school year.

With the opening of the Buckeye Joint Vocational School, Indian Valley North juniors and seniors were given the opportunity to continue their schooling in the vocational areas at the newly built facilities. The students were permitted to participate in any extra-curricular activities at North. The seniors at the BJVS who completed the required courses were graduated from Indian Valley North High School.

H I G H A N D E L E M E N T A R Y **JUNIOR**

Preparing the students for life at the high school level, the junior high offers such courses as shop and home economics in addition to regular academic classes. Together with the sports and various projects, the students of Indian Valley North Junior High are looking forward to an active high school career.

The elementary children are striving hard to attain a good understanding of the basics of education, while enjoying good times with their friends.

WE APPRECIATE

Mr. Jenkins and Mr. Gartrell, along with their competent faculty and staff, did an excellent job again this year of providing the elementary and junior high students of I.V.N. with the best possible atmosphere conducive to learning. Their interest and concern is very much appreciated.

STAFF KEPT BUSY

This year the junior high school was again served well by its staff. The aides helped students in many classes. Our custodians worked hard to keep the school in good shape. The cooks kept busy preparing good meals for everyone at the Tuscarawas building.

Today is here and now, like a wave splashing on a sandy bar. Once it retreats, it will not come back, so grab the chance to make the most of it.

Opportunities stretch like a limitless ocean before us, beckoning us to new adventures, new people, and a fresh island of life.

Sue Halter
